Why is CTI Different?

When choosing a Contract Research Organization, Sponsors focus on several areas. These areas include **personnel, systems, processes, therapeutic expertise and demonstrated ability to deliver**. Below is how CTI differentiates itself from our competition in those areas.

Personnel:

ATTRIBUTES / CHARACTERISTICS

- ✓ Experience in Research
- ✓ Experience in Therapeutic Area
- ✓ Low Staff Turnover
- ✓ Relationships in the Field
- ✓ Staff Connectivity

WHAT MAKES CTI DIFFERENT?

- 14 years average experience
- Many staff are former Transplant Study Coordinators; Critical Care Nurses; etc.
- Site continuity; same sites over and over again
- Each CRA has Laptop and Blackberry
- Senior Management accessible to Personnel and involved on Studies

Systems:

ATTRIBUTES / CHARACTERISTICS

- ✓ Validated Oracle Clinical for Data Management
- ✓ Validated Oracle AERS for Adverse Event Reporting
- ✓ Siebel Clinical (Oracle product) for Trial Management
- ✓ SAS for statistical programming

WHAT MAKES CTI DIFFERENT?

- A single software solution such as Oracle leads to fully integrated overall trial execution solution

[Join Our Mailing List!](#)

Processes:

ATTRIBUTES / CHARACTERISTICS

- ✓ Full Suite of Global SOPs
- ✓ Training platform to ensure all SOPs are followed
- ✓ All functional areas are covered by SOPs
- ✓ SOPs are updated on a regular/routine basis

WHAT MAKES CTI DIFFERENT?

- What makes CTI different in this area is our willingness to share, adapt and learn from Sponsor audits
- SOPs designed around our pillars of operational success---Budget, Timelines and Quality
- Simple; no red tape

Therapeutic Expertise:

ATTRIBUTES / CHARACTERISTICS

- ✓ Recruiting process is very focused
- ✓ Ability to move quickly from award to execution
- ✓ CTI Consulting group has synergies with clinical team
- ✓ Solutions to problems

WHAT MAKES CTI DIFFERENT?

- We are not generalists—we are experts!
- Ramp-up limited---work can begin quickly
- CTI thought leaders and experts under the same roof
- Been there before and anticipate issues before they arise

Demonstrated Ability to Deliver:

ATTRIBUTES / CHARACTERISTICS

- ✓ Dozens of trials executed by staff in SOT
- ✓ Published in numerous journals
- ✓ We can produce References—
Sponsors/Investigators/Study
Coordinators
- ✓ Case Studies
- ✓ Relationships!

WHAT MAKES CTI DIFFERENT?

- We have seen everything! Solutions are many
- Talk to our customers...unbiased views rank CTI ahead of our competition
- We're not just talk...we can show examples of what we have done

Our demonstrated ability to deliver on dozens of trials, meet timelines and establish relationships make CTI stand out above the competition. Because of this, CTI has developed a unique business model that combines operational excellence with a strong clinical knowledge in the therapeutic areas in which we focus.
